

NOTICE TO ALL APPLICANTS FOR REINSTATEMENT OR RECIPROCAL REGISTRATION  
(This form is for PS's licensed in another state)

Practicing Professional Surveying in the State of Arkansas without a license is a violation of state law. Arkansas requires the passing of a two (2) hour Arkansas specific exam- for all reciprocal applicants. This exam is regularly given in April and October and by appointment at Little Rock.

The following questions must be answered in the space provided. Each question should be answered in detail  
**Do not leave any line blank.**

1. The reason you wish to become registered (reinstated) in Arkansas.

---

---

---

2. Information regarding any project in Arkansas on which you may have performed Professional Surveying services as a subordinate or employee of another Professional Surveyor. Please provide the name of the Professional Surveyor in charge and Arkansas PS #. This includes work performed during the period your Arkansas license was not active.

---

---

---

3. The current project or projects in Arkansas on which you contemplate performing Professional Surveying Services if the information is not confidential.

---

---

---

4. The status of plans or reports on any project in Arkansas for which you have been retained as a surveyor.

---

---

---

5. I certify that I will not practice, or offer to practice, Professional Surveying as defined in the Laws of the State of Arkansas and Rules of the State Board of Registration for Professional Engineers and Land Surveyors on any project in Arkansas until I have received a Professional Surveyor's license.
